

Paranoid

Black Sabbath

Finished with my woman `cause she couldn't help me with my mind

.

People think I'm insane because I am frowning all the time.

All day long I think of things but nothing seems to satisfy.

Think I'll lose my mind if I don't find something to pacify.

Can you help me? Need you for my brain. Oh yeah.

I need someone to show me the things in life that I can't find.

I can't see the things make true happiness I must be blind.

Make a joke and I will sigh and you will laugh and I will cry.

Happiness I cannot feel and love to me is so unreal.

And so you hear these words now tellin you now now of my state.

I tell you to enjoy life I wish I could but it's too late.
