

Symptom of the Universe

Black Sabbath

Take me through the centuries to supersonic years
Electrifying enemy is drowning in his tears
All I have to give you is a love that never dies
The symptom of the universe is written in your eyes

Mother moon she's calling me back to her silver womb
Father of creation takes me from my stolen tomb
Seventh advent unicorn is waiting in the skies
A symptom of the universe, a love that never dies

Take my hand my child of love come step inside my tears
Swim the magic ocean I've been crying all these years
With our love we'll ride away into eternal skies
A symptom of the universe, a love that never dies

Woman child of love's creation, come and step inside my dreams
In your eyes I see no sadness, you are all that loving means
Take my hand and we'll go riding through the sunshine from above
We'll find happiness together in the summer skies of love
