

Wasp / Behind the Wall of Sleep / Bassically / N.I.B.

Black Sabbath

The intro to this song has a separate title, it's called Wasp
Precious cups within the flower
deadly petals with strange power
faces shine a deadly smile
back up on you at your trial
Chill and numbs from head to toe
icy sun with frosty glow
Why'd you go reaching your sorrow?
why'd you go read no tomorrow
Feel your spirit rise with the priest
feel your body falling to its knees
Take your walk of remorse
take your body to a corpse
take your body to a corpse
take your body to a corpse
if you want all remorse
take your body to a corpse
Now from darkness, there springs light
Wall of Sleep is cold and bright
Wall of Sleep is lying broken
Sun shines in, you are awoken

it's gone!

Some people say my love cannot be true
Please believe me, my love, and I'll show you
I will give you those things you thought unreal
The sun, the moon, the stars; all bear my seal

Oh yeah!

Follow me now and you will not regret
Living the life you led before we met
You are the first to have this love of mine
Forever with me 'til the end of time

Your love for me has just got to be real
Before you know the way I'm going to feel
I'm going to feel
I'm going to feel

Oh yeah!

Now I have you with me, under my power
Our love grows stronger now with every hour
Look into my eyes, you'll see who I am
My name is Lucifer, please take my hand

Oh yeah!

Follow me now and you will not regret
Leaving the life you led before we met
You are the first to have this love of mine
Forever with me 'til the end of time

Your love for me has just got to be real
Before you know the way I'm going to feel

I'm going to feel
I'm going to feel

Oh yeah!

Now I have you with me, under my power
Our love grows stronger now with every hour
Look into my eyes, you will see who I am
My name is Lucifer, please take my hand
