Black Sheep

Dres --

Black Sheep, in your house, party people you remember  
The two that served your whole crew like the bartender  
It's dynamic D, don't you panic cause we won't stop  
until hip-hop, is all it could be, now  
You can't checks it when I flex it yo I wreck shhhh  
You're turning me off like a naked anorexic  
I gets, jazzy baby if you're blastin maybe you can  
see me and Mista Lawnge to drop the flavor loops like Toucan  
Lawnge --

It's the genuine, nine and then some  
Rolling with the Sheep but yo we all can't come  
Because the part be on that old strict clientele  
Dissing more people at the door than Jessica and Miguel  
Now if you're peeps of the Sheep then we'll let you in  
But if you didn't buy my album then you're not my friend  
I recommend you step back to the end  
And watch me catch wreck like fat people breakin wind  
Dres --

Black Sheep, we're mighty like Isis  
My man, I slam nice, yes more fly than Shazam I am  
Dres, D-are-E-S, roar without a floor  
I pound clowns who walk on sound for encores  
Me and my man since eighty-three, makin this fast buck  
Act up and get broken when I'm open like a Mack truck  
Slammin ya on camera like Gamera it's iller  
Cause you never knew the Sheep could catch wreck like Godzilla  
Dres, Lawnge (repeat 2X)  
Yo I can do it Ain't nuttin to it Yeah I can do it Yo we can turn this party  
out

Lawnge --

Black Sheep, the definition, by now you should've known  
It means wherever we rock the spot gets blown  
So when you see is on a flyer, it should be your desire  
To witness more wreck than a West coast fire  
So be prepared to bounce jump around and all that  
You don't have to ask Jack, you know where the party's at  
It's uptown in the Boogie Down so don't sleep  
On that Non Fiction hit by Black Sheep

Dres --

Be the be -be , L-L-L, L-A-see-K  
S-H, double-E-P, and comin your way with A  
dope styles be you can't compare  
see-D, come move your ass like you're sittin in my chair  
We glow like incense intense like suspense  
Commence to rip the party people love nonsense, I  
put the art in party with my padre, word to madre  
I love deeper than that lady Sade

Lawnge --

Black Sheep, rips and represents, believe we do  
Have more crews than in the days of L.Q.  
Now let me tell you, what other suckers failed to  
We open more doors than a carpenter puts nails through  
I wish your style was copywritten, to have fake suckers quittin  
because the Sheep style you're not gettin  
Ya see we know, yo, we gotta stay original  
Keep the Black Sheep flow and party til it's time to go

D - Now to the peeps in the back, if you're not the wack, say  
L - Now all the people in the front, if you're ready to bump, say  
D - Now in the middle we jangle jingle it ain't no riddle, say  
L - Now to the people on the side, if you're black with pride, say  
(don't stop with the body rock)
