

All Hell Breaks Loose

Black Star Riders

It's another napalm night
In downtown Babylon
The contract for blood
Ain't worth the paper that it's on
To the dark side of the road
Where the junkies prey and die
It's a one way ticket
On a slow death suicide

Don't you turn your back on me
Don't you turn your back
Don't you turn your back

Mine eyes have seen the glory
Of the coming of the fools
When all hell breaks loose
All hell breaks loose
I walk a murder mile
Wearing deadman's shoes
When all hells breaks loose
All hell breaks loose

I drink to remember
Why I drink to forget
It's love necessity
Or just goddamn ignorance
To aggregate and segregate
Contemplate my fate
Keep the fights real brother
Leave some blood in the place

Don't you turn your back on me
Don't you turn your back
Don't you turn your back

Mine eyes have seen the glory
Of the coming of the fools
When all hell breaks loose
All hell breaks loose
I walk a murder mile
Wearing deadman's shoes
When all hells breaks loose
All hell breaks loose
When all hell breaks loose
All hell breaks loose
For the chains you refuse
All hell breaks loose

There's one more thing
When the boys left town
When the well ran dry
There's no earthly reason
No universal alibi
For hanging around
With the freak show desperados
On the mean streets of some hell hole
Wild west Eldorado

Don't you turn your back on me
Don't you turn your back
Don't you turn your back

Mine eyes have seen the glory
Of the coming of the fools
When all hell breaks loose
All hell breaks loose
I walk a murder mile
Wearing deadman's shoes
When all hells breaks loose
All hell breaks loose
When all hell breaks loose
All hell breaks loose
For the chains you refuse
All hell breaks loose
