

# All I'm Dreamin' Of

Black Stone Cherry

Something about our world today  
That makes me wanna cry  
There's too much anger and too much pain  
Too much money and too many lies  
If I could have one wish tonight  
I would beg of us to forget our pride  
If we could do just one thing right,  
We could help each other to love our lives.

R: All I'm dreamin of is good times, good friends, and somebody to love.

All I'm dreamin of is no fears no tears and blue skies up above.

There's people around us everywhere  
Who need help like you and me  
A family was taken by a storm  
And we just watched it on tv.  
If I could have one wish tonight  
I would beg of us to forget our pride  
If we could do just one thing right  
We could help each other to love our lives.

R:

When one things right another is wrong  
But in the end love will always keep us strong.

All I'm dreamin of is a house on a hill and somebody to love  
All I'm dreamin of is the sun to shine and blue skies up above.
