

# Blame It on the Boom Boom

Black Stone Cherry

Like big love, black love, white love, your love  
Here we go  
Sit back, hold up, open up, just enjoy the show  
Like ice cream, whip cream, nasty dreams  
Do you know? Can you feel what I mean?

Say hey eh eh eh eh eh eh eh eh  
Oh oh oh oh  
Say hey eh eh eh eh eh eh eh eh

It feels so good  
And you knew that it would  
When we're bringing on the boom boom  
And you're so sweet from your head to your feet  
When I'm giving you the boom boom  
If you wake up in the morning  
In somebody else's room room  
Blame it on the boom boom

Now see I would ask you where you like it  
Instead I'll tell you where you're  
Gonna get it, see  
In the bedroom, the bathroom, the classroom,  
The last room on the left  
In my fantasy, you're next to me  
I'm giving you my everything, my very best  
Like back beats, back seats, summer heat

C'mon I wanna hear everybody say  
Hey eh eh eh eh eh eh eh eh  
Yeah! Yeah!  
Hey eh eh eh eh eh eh eh eh

It feels so good  
And you knew that it would  
When we're bringing on the boom boom  
And you're so sweet from your head to your feet  
When I'm giving you the boom boom  
Yeah don't wake up in the morning  
In somebody else's room room  
Blame it on the boom boom

Hey eh eh

Do you like big? Yeah  
Black? Yeah  
White? Yeah  
Sho 'nough here we go

Hey eh eh eh eh eh eh eh eh  
Hey eh eh eh eh eh eh eh eh  
Oh!

It feels so good  
And you knew that it would  
When we're bringing on the boom boom  
And you're so sweet from your head to your feet

When I'm giving you the boom boom

If you wake up in the morning  
In somebody else's room room  
If you wake up in the morning  
In somebody else's room room  
If you wake up in the morning  
In somebody else's room room  
Blame it on the boom boom
