

## Blind Man

Black Stone Cherry

Disappointing change in seasons  
cold has come again.  
Streets are flooded with excuses  
stories never end.  
People walk in their delusion  
wading through despair.  
We must come to stand as one  
and take the cross they bare.

So we will try not to cry  
when we're walkin' in their shoes.  
Have you heard the news?  
Hey have you seen the blind man in disguise,  
Lookin' for his eyes?  
Hey have you seen the rain man  
lookin' to the sky, Beggin' for sunlight?  
The darkest times ain't always at night

A man will hold a sign and preach  
"This world will not stand".  
We are all among the scared,  
so will you hold my hand.

So We will try not to cry  
when we are walkin' in their shoes.  
Have you heard the news?  
Hey have you seen the blind man in disguise,  
Lookin' for his eyes?  
Hey have you seen the rain man  
lookin' to the sky, Beggin' for sunlight?  
The darkest times ain't always at night

So We will try not to cry  
when we are walkin' in their shoes.  
Have you heard the news?  
Hey have you seen the blind man in disguise,  
Lookin' for his eyes?  
Hey have you seen the rain man  
lookin' to the sky, Beggin' for sunlight?  
The darkest times ain't always at night
