

Yeah Man

Black Stone Cherry

Yeah, Yeah Man
Yeah, Yeah Man

Gonna get us a bottle of wine,
An' head outla on the hills
I said we take a little trip through time,
That will make us feel so fine,
Muddy water gonna lead the parade,
Gonna make everybody say,

Yeah, Yeah Man
Yeah, Yeah Man

Well the boogeyman's here tonight,
I said a boogeyman you feelin' right,
Now you know we ain't gonna force a fight,
Gonna party till the broad daylight,
When the drums and the guitars play,
Gonna make all the pretty girls say,

Yeah, Yeah Man
Yeah, Yeah Man

Yeah, Yeah Man
Yeah, Yeah Man

Yeah Man
