

Hit the Lights

Black Tide

No life 'til leather
We're gonna kick some ass tonight
We got the metal madness
When our fans start screaming it's right
Well alright, yeah
When we start to rock we never stop again

Hit the lights
Hit the lights
Hit the lights

You know our fans are insane
We are gonna blow this place away
With volume higher than anything today
The only way, yeah
When we start to rock we never will stop again

Hit the lights
Hit the lights
Hit the lights

With all out screaming
We are gonna rip right through your brain
We got the lethal power
It is causing you sweet pain
Oh sweet pain, yeah
When we start to rock we never stop again

Hit the lights
Hit the lights
Hit the lights
Hit the lights
