

## Leveling

Black Tusk

The day remains, we live in chains  
Now it's time, to make a change

Leveling  
What's inside  
Leveling  
What I hide

Fade, away, another day  
Break, away, to stay, the same

Leveling  
What's inside  
Tear you down  
Now it's mine

Life, the hurt,  
The loss, this is mine
