

# Prophecy One by One

Black Tusk

Stagnant souls  
Held by chains  
Outstretched arms  
Deaths red eyes

Sight of things to come  
Battlefield soaked in blood

Good of man  
Tragedy  
Test of time  
Tragedy  
Black skies fall  
Tragedy  
Fate is changed  
Tragedy

Centuries gone before  
Standing tall  
Kings no more

Lucid dreams come true  
Sight of things to come

Self-fulfilled  
Prophecy  
Plagues let loose  
Prophecy  
Death toll comes  
Prophecy  
End of all  
Prophecy  
Seed of life  
Dies in time  
Seasons change  
Scorch the Earth

One by one  
Faces melt  
One by one  
Souls are damned  
One by one  
None are spared  
One by one  
Kingdoms fall
