

Great Train Robbery

Black Uhuru

New York, woah!
New York City, oh!
Dadadaa..

(..)

New York, woah!
New York City, oh!
Dadadaa..
Oh yeah

Terrible than the Great Train Robbery oh, oh, oh
More terrible than the Great Train Robbery
Terrible than the Great Train Robbery oh, oh, oh
Terrible than the Great Train Robbery

R:
The things I've done in life will go down in history
In the Big Apple, the place called New York City
What's going down?
Come and report it to me
Anything going down
Come and report it to me

I heard those boys planned a nearly ten million robbery, woah
Well, if they make it, they probably gotta break it
Although I wasn't there, it was 50-50 share
Anything going down; come and report it to me

Terrible than the Great Train Robbery oh, oh, oh
Terrible than the Great Train Robbery
Terrible than the Great Train Robbery oh, oh, oh
Terrible than the Great Train Robbery

R:

A business got to learn, food got to eat
So brother do it neat, cross 110th Street

And if the brothers messed it up
And don't let me get my cut
There's gonna be
Hell up in Harlem
Hell up in Harlem

Terrible than the Great Train Robbery

(..)

R:

No good friends ever let you down, no, no, no
Terrible than the Great Train Robbery..

Ain't gonna get me down
You ain't gonna let me down
Ain't gonna get me down, no, no

Terrible than the Great Train Robbery..

(..)

It was all planned out!

(..)

Yes we have an inside view

So we knew just what to do

It was all planned out!

Terrible than the Great Train Robbery

Brothers they respect the don

So they carry out the plan

Terrible than the Great Train Robbery

After they take the train

Next day they did lick Champagne

Money flowing down like rain..
