

Theres a natural mystic blowing through the air;  
If you listen carefully now you will hear.  
This could be the first trumpet, might as well be the last:  
Many more will have to suffer,  
Many more will have to die - dont ask me why.  
Things are not the way they used to be,  
I wont tell no lie;  
One and all have to face reality now.  
though Ive tried to find the answer to all the questions they ask.  
though I know its impossible to go livin through the past -  
Dont tell no lie.  
Theres a natural mystic blowing through the air -  
Cant keep them down -  
If you listen carefully now you will hear.  
Theres a natural mystic blowing through the air.  
This could be the first trumpet, might as well be the last:  
Many more will have to suffer,  
Many more will have to die - dont ask me why.  
Theres a natural mystic blowing through the air -  
I wont tell no lie;  
If you listen carefully now you will hear:  
Theres a natural mystic blowing through the air.  
Such a natural mystic blowing through the air;  
Theres a natural mystic blowing through the air;  
Such a natural mystic blowing through the air;  
Such a natural mystic blowing through the air;  
Such a natural mystic blowing through the air.
