

Natural Mystic

Black Uhuru

Theres a natural mystic blowing through the air;
If you listen carefully now you will hear.
This could be the first trumpet, might as well be the last:
Many more will have to suffer,
Many more will have to die - dont ask me why.
Things are not the way they used to be,
I wont tell no lie;
One and all have to face reality now.
though Ive tried to find the answer to all the questions they ask.
though I know its impossible to go livin through the past -
Dont tell no lie.
Theres a natural mystic blowing through the air -
Cant keep them down -
If you listen carefully now you will hear.
Theres a natural mystic blowing through the air.
This could be the first trumpet, might as well be the last:
Many more will have to suffer,
Many more will have to die - dont ask me why.
Theres a natural mystic blowing through the air -
I wont tell no lie;
If you listen carefully now you will hear:
Theres a natural mystic blowing through the air.
Such a natural mystic blowing through the air;
Theres a natural mystic blowing through the air;
Such a natural mystic blowing through the air;
Such a natural mystic blowing through the air;
Such a natural mystic blowing through the air.
