Black Uhuru

Puff she puff no bother puff  
pon Rasta  
Tough she tough no bother  
puff pon Rasta  
Puff she puff  
no bother puff pon Rasta

Makin' love on hungry belly  
I couldn't cope too long  
With my bare long hands  
I am embarrassed most the time  
But it's not no crime  
Children crying day and night  
can't find mummy

A puff she puff no bother  
puff pon Rasta she puff she puff  
She just a puff pon Rasta

She say rude  
Tough she tough hard she hard  
A no soft she soft  
Puff she puff  
She just a puff pon Rasta  
Anough she nough you  
kinna nough pon Rasta

Money I Can hardly find  
And white scrawl a bite  
Simple things are so serious  
In these time  
The things that you do and  
upset some day and regret

Tough tough tough she tough  
A puff she puff  
No bother puff pon Rasta

Puffy puff  
Claim she tough  
She just a puff she just a  
puff pon Rasta

Many a times when I check  
my life style  
A been a living in another  
foot step of another man  
I no man man a fallure

She just a puff  
She just a puff pon Rasta  
She puffy puff  
She claims she tough she  
just a Chuck
