

Puff She Puff

Black Uhuru

Puff she puff no bother puff
pon Rasta
Tough she tough no bother
puff pon Rasta
Puff she puff
no bother puff pon Rasta

Making love on hungry belly
I couldn't cope too long
With my bare long hands
I am embarrassed most the time
But it's not no crime
Children crying day and night
can't find mummy

A puff she puff no bother
puff pon Rasta she puff she puff
She just a puff pon Rasta

She say rude
Tough she tough hard she hard
A no soft she soft
Puff she puff
She just a puff pon Rasta
Anough she nough you
kinna nough pon Rasta

Money I Can hardly find
And white scrawl a bite
Simple things are so serious
In these time
The things that you do and
upset some day and regret

Tough tough tough she tough
A puff she puff
No bother puff pon Rasta

Puffy puff
Claim she tough
She just a puff she just a
puff pon Rasta

Many a times when I check
my life style
A been a living in another
foot step of another man
I no man man a fallure

She just a puff
She just a puff pon Rasta
She puffy puff
She claims she tough she
just a Chuck
No bother chuck pon Rasta

Man find himself doing all

manner of evil
I and I a ion's

So no bother come gwaan

A nuff you nuff
