Black Uhuru

What's the matter, people?  
Solidarity

Everybody wants the same thing, don't they?  
Everybody wants a happy end  
They want to see the game on Saturday  
They want to be somebody's friend

Everybody wants to work for a living  
Everybody wants their children warm  
Everybody wants to be forgiven  
They want a shelter from the storm

Look at me, I ain't your enemy  
We walk on common ground  
We don't need to fight each other  
What we need, what we need

Solidarity  
Solidarity  
Solidarity  
Solidarity

Nobody likes to ask for money  
Nobody likes to play the clown  
Nobody likes to wait in a long line  
Nobody likes to be pushed around  
Everybody wants their family protected  
They want to express themselves  
Everybody wants to live forever

Look at me I ain't your enemy  
Don't believe everything you hear  
This is no time to fight each other  
What we need, what we need
