Black Uhuru

You bum right here and you
bounce over there sponji reggae
I say you bum right here and
you bounce over there
sponji reggae
I say you rock right here and
you rock over there sponji reggae
I say you punch right here and you
punch over there sponji reggae

A keep trying very hard to succeed
I almost lost my reflex
My barefeet was burn
That I almost lost my nerves
My fingers are shaking as the
day start breaking
I could a never keep it no longer
I had to tell it to one another

R:

You bum right here

Some say I am nuts zookey crazy
Want I to leave the music alone
They say go and look work
I and I are lazy
But I think for a while and
say to my self
It's a time for every style

R:

I may not be a movie star
I don't drive a big fancy car
I can afford only a Winchester cigar
From the day I was born and
given life
I and I a actor genius name it
Genuine character
