

Word Sound

Black Uhuru

The world is reggae music
Word Sound
Word sound is power
Yeah
The world is reggae music
Word sound
Word sound is power
to the people
Up up up you mighty mighty people
We can accomplish what we want, oh yeah
All we got to do is live
in love and harmony
Catch the freedom train
As it goes rolling on
We don't need no ticket no
When we get on board no no
We don't need no bagage no
Nor no heavy load no no
