

Fallen Angels

Black Veil Brides

Scream, shout, scream, shout
We are the fallen angels

We are the in between
Cast down as sons of war
Struck to the earth like lightning
On this world we're torn

We won't cause the pain
Of living out their law
Take joy in who you are
We know our wings are flawed

We're bored to death in heaven
And down alone in hell
We only want to be ourselves

We scream, we shout
We are the fallen angels
We scream, we shout, woah, woah
To those who sing alone
No need to feel this sorrow
We scream, we shout, woah
We are the fallen angels

Follow the morning star
A land where darkness failed
The passion left unholy
Now you found yourself

We have nowhere to go
No one to wish us well
A cry to find our home
Our stories they will tell

We're bored to death in heaven
And down alone in hell
We only want to be ourselves

We scream, we shout
We are the fallen angels
We scream, we shout, woah, woah
To those who sing alone
No need to feel this sorrow
We scream, we shout, woah
We are the fallen angels

Scream, shout
We are the fallen angels
Scream, shout, woah, woah

We scream, we shout
We are the fallen angels
We scream, we shout, woah, woah
To those who sing alone
No need to feel this sorrow
We scream, we shout, woah

We are the fallen angels

We scream, we shout

We are the fallen angels

We scream, we shout, woah, woah, woah, woah

We shout, woah

We are the fallen angels
