Fallen Angels

Black Veil Brides

Scream, shout, scream, shout We are the fallen angels

We are the in between Cast down as sons of war Struck to the earth like lightning On this world we're torn

We won't cause the pain Of living out their law Take joy in who you are We know our wings are flawed

We're bored to death in heaven And down alone in hell We only want to be ourselves

We scream, we shout We are the fallen angels We scream, we shout, woah, woah To those who sing alone No need to feel this sorrow We scream, we shout, woah We are the fallen angels

Follow the morning star A land where darkness failed The passion left unholy Now you found yourself

We have nowhere to go No one to wish us well A cry to find our home Our stories they will tell

We're bored to death in heaven And down alone in hell We only want to be ourselves

We scream, we shout We are the fallen angels We scream, we shout, woah, woah To those who sing alone No need to feel this sorrow We scream, we shout, woah We are the fallen angels

Scream, shout We are the fallen angels Scream, shout, woah, woah

We scream, we shout We are the fallen angels We scream, we shout, woah, woah To those who sing alone No need to feel this sorrow We scream, we shout, woah We are the fallen angels

We scream, we shout We are the fallen angels We scream, we shout, woah, woah, woah, woah We shout, woah We are the fallen angels
