

God Bless You

Black Veil Brides

We're all told that when we die
We leave to a better place
And all I know is what you left
A love I can't erase

All the same in love and war
Burn my name and ashes scorn

You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You

God bless you

Shed those faded memories
This is your curtain call
I've had enough of sympathy
It's time to watch you fall

All the same in love and war

You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You

So God Bless You
God bless you!
God bless you
God bless you!

You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You

You left me with these broken lies
And I let you
Got no more time for your goodbyes
So God Bless You

So God Bless You
God Bless You!
God Bless You
God Bless You!
