

Something For The Asking

Black

Sometimes you laugh,
sometimes we smile at each other,
sometimes you give a lot
when really you'd rather not.
And sometimes you pray,
sometimes you tell a lie,
sometimes you take a hold
of this your living day.
So many dreams for the asking
and I'll wager there's one here who'll try
to make a fool of you.
You're crying out for more,
more, more, more, more.
Sometimes you laugh,
sometimes we smile at each other,
sometimes you give a lot
when really you'd rather not.
And sometimes you pray,
and sometimes you tell a lie,
sometimes you take a hold
of this your living day.
So many dreams for the asking
and I'll wager there's one here who'll try
to make a fool of you.
You're crying out for more,
more, more, more, more.
So many dreams for the asking
and I'll wager there's one here who'll try
to make a man of you.
You're crying out for more,
more, more, more, more.

So many dreams for the asking
and I'll wager there's one here who'll try
to make a fool of you.
You're crying out for more,
more, more, more, more.
So many dreams for the asking
and I'll wager there's one here who'll try
to make a man of you.
You're crying out for more,
more, more, more, more.
