

# Alphabet Aerobics

Blackalicious

(Now it's time for our wrap up  
Let's give it everything we've got  
Ready? Begin)

Artificial amateurs, aren't at all amazing  
Analytically, I assault, animate things  
Broken barriers bounded by the bomb beat  
Buildings are broken, basically I'm bombarding  
Casually create catastrophes, casualties  
Canceling cats got their canopies collapsing  
Detonate a dime of dank daily doing dough  
Demonstrations, Don Dada on the down low  
Eating other editors with each and every energetic  
Epileptic episode, elevated etiquette  
Furious fat fabulous fantastic  
Flurries of funk felt feeding the fanatics  
Gift got great global goods gone glorious  
Getting godly in his game with the goriest  
Hit em high, hella height, historical  
Hey holocaust hints hear 'em holler at your homeboy  
Imitators idolize, I intimidate  
In an instant, I'll rise in an irate state  
Juiced on my jams like jheri curls jocking joints  
Justly, it's just me, writing my journals  
Kindly I'm kindling all kinds of ink on  
Karate kick type brits in my kingdom  
Let me live a long life, lyrically lessons is  
Learned lame louses just lose to my livery  
My mind makes marvelous moves, masses  
Marvel and move, many mock what I've mastered  
Niggas nap knowing I'm nice naturally  
Knack, never lack, make noise nationally  
Operation, opposition, off not optional  
Out of sight, out of mind, wide beaming opticals  
Perfected poem, powerful punch lines  
Pummeling petty powder puffs in my prime  
Quite quaint quotes keep quiet it's Quantum  
Quarrelers ain't got a quarter of what we got uh  
Really raw raps, rising up rapidly  
Riding the rushing radioactivity  
Super scientific sound search sought  
Silencing super fire saps that are soft  
Tales ten times talented, too tough  
Take that, challengers, get a tune up  
Universal, unique untouched  
Unadulterated, the raw uncut  
Verb vice lord victorious valid  
Violate vibes that are vain make em vanished  
While I'm all well what a wise wordsmith just  
Weaving up words, weeded up on my work shift  
Xerox, my X-radiation holes extra large  
X-height letters, and xylophone tones  
Yellow back, yak mouth, young ones yaws  
Yesterday's lawn yard sell our yawn  
Zig zag zombies, zoom in to the zenith  
Zero in zen thoughts, overzealous rhyme ZEALOTS!...

(Good... can you say it faster?)
