

I Needed You

Blackbear

When I needed you the most,
(When I needed you,)
When I needed you the most,

If you can't see what's in front of you,
You lose you lose you lose,
You can't see what's in front of you,
You lose,

When I when I needed you the most,
When I needed you,
When I needed you the most,
I needed you,
The most,
The most,
The most,

I need I need I need you,

I need it quick, I need it fast,
I need your love, I need it bad,
I need it quick, I need it fast,
I need your love, I need it bad,

(You remind me of a girl that I once knew,)
(You remind me of a girl that I once knew,)

One of the things that you told me was never forget,
I'll never be lonely as long as you know me,
I'll never be that, the things that you show me I cannot look past,
And you ready binoculars to see past this,
Let's hit the mattress,
Baby get at this,
I'll be the actor, you be the actress,

Baby get at this,
I'll be your actor, you be my actress,
Sign at the bottom as long as you bad bitch,
Take off your bottom, she pullin me backward,
And then when she left, she callin my phone,
Sendin my texts of all of her clothes,
Right down on the floor,
She turnin around, she givin me mo,
Every word that she spoke, she killin me slow,
I'm feelin the cold and lovesick, I'd rather spend time with one bitch,
I'd rather spend time with one bitch,
I'd rather spend time with one bi-,

Can't see what's in front of you,
You lose you lose you lose,
Can't see what's in front of you,
You lose,

When I when I needed you the most,
When I needed you,
When I needed you the most,
I needed you,

The most,
The most,
The most,

I need I need I need you,

I need it quick, I need it fast,
I need your love, I need it bad,
I need it quick, I need it fast,
I need your love, I need it bad

If you see anything wrong let me know!
