

Tell me pretty lies  
Look me in the face  
Tell me that you love me  
Even if it's fake  
Cause I don't fucking care  
At all

You've been out all night  
I don't know where you've been  
You're slurring all your words  
Not making an sense  
But I don't fucking care  
At all

Cause I have hella feelings for you  
I act like I don't fucking care  
Like they ain't even there  
Cause I have hella feelings for you  
I act like I don't fucking care  
Cause I'm so fucking scared  
I'm only a fool for you  
And maybe you're too good for me  
I'm only a fool for you  
But I don't fucking care at all

Tell me pretty lies  
Look me in the face  
Tell me that you love me  
Even if it's fake  
Cause I don't fucking care  
At all

You've been out all night  
I don't know where you've been  
You're slurring all your words  
Not making any sense  
But I don't fucking care at all

Cause i have hella feelings for you  
I act like I don't fucking care  
Like they ain't even there  
Cause i have hella feelings for you  
I act like I don't fucking care  
Because I'm so fucking scared  
I'm only a fool for you  
But maybe you're too good for me  
I'm only a fool for you  
But i don't fucking care at all  
Oh
