

# Marilyn Monroe

Blackbear

Take, take off your clothes  
Bring your body in from the cold  
And I'll be the smoke  
Hold it in, exhale  
The afterglow  
Leave your love in the cold  
Show me your geography

I'll be the ignition  
Gimme your permission  
Marilyn Monroe

Marilyn Monroe

Leave your love in the cold  
Show me your geography

She's all over my wall  
Yeah she's my pin-up  
Never knew she came for nothing  
She keep her chin up  
Misguided, Misread, text message got misread.  
I cant help that she batting them eyelashes, and her lipstick suicide wrist  
red.  
Forreal  
Damn girl chill  
Never hung out when you not off the pill.  
Leave all your feelings at the front door  
So what's the deal  
and you saying that you love me  
Wish I could believe you.  
Tell me why did all those others dudes up and leave you  
There's an underlying problem here  
But I cant focus because  
You're lying there  
Nothing but your underwear  
Black lace, black lace,  
and your make up on my pillow case,  
Well if all you want is a quick fuck  
We can do it here on the stairway

Oh, I thought that's how you rolled.

You can be my Marilyn,  
Marilyn Monroe

So

Leave your love in the cold  
Show me your geography.

I'll be the ignition  
Gimme your permission  
Marilyn Monroe
