

Money

Blackbear

It's about the money
Wonder why I do the things I do
People changing everyday for the money
It's for the money, it's for the money...

She's about the money, she holds her face in tears cuz she needs the money
To fix her past three years, he ran away...
With the money, it's about the money...

I spend all of my time, chasing after the dime
Got to find a way, another way to get paid

I'm about the money! [x4]

Got to find a way! Another way to get paid...

About the money

It's for the money
You wonder why she stayed through all the hurting
And everything is fine til it's concerning
The money... The money!

It's the kind of sign I need, cuz nothing is for free!
Morality, or something more
Yea, something more we can afford...
I spend all of my time chasing after the dime
Got to find a way, another way to get paid...
About the money! [x4]
Got to find a way, another way to get paid
About the money
It's for the money...
