

# Moodz

Blackbear

I got 2 moodz  
Sleep is for the weak  
Sleeping for a week i swear  
Got 2 moodz  
Drinking Hennessy, VSOP and XO  
2 moodz  
In the escalade bumpin' Jodeci subtweetin'  
In the drop top  
Whole crew  
Kinda leaning  
Tires screeching, bae  
2 moodz  
Hit it from the back  
Let her back it up good God  
2 moodz  
In the box suite or the floor seat sittin' on the wood

Scottie Pippen no temples  
I just flew in town got the 6 goin' mental  
No free time on my schedule  
Neenyo, slow it down man  
I just found my tempo

2 moodz  
2 moodz  
Got two of them things  
Got two of them things  
Always got two  
Two of everything

I got 2 moodz  
Drivin' and smokin' or drinkin' and Ubering  
2 moodz  
Gotta take it real slow  
But that depend what kinda mood I'm in  
2 moodz  
Dark hair with the thick thigh  
Blond hair, bad & boujee  
Nobu get the sushi  
? get the waggle, Snoozegod got the uzi  
I ain't really tryna dap you  
Y'all actin' like you never really knew me  
And now that I'm hot I got 2 different moodz  
That's fresh as all fuck and I don't fuck wit you

I give you everything you want  
Just so I could prove a point
