

Up In This

Blackbear

Shawty got a booty, let it hang out (hang out)
Ain't no turnin' down, let it bang out (bang out)
She can go and hoop, she wanna hang out (yeah)
We up in this bitch, oh
Got the club feeling like a safe house
All this damn money, let it rain down
We ain't going home, we wanna hang out
We up in this bitch

Yeah, yeah, yeah
Drop vase so long I need a cake now
40 acres, 40 miles outside L.A. now
It's like I'm Drake now
My shit is way out
Mama got a lake house
We up in this bitch, we up in this bitch
You think I'm playin' 'round
I got two bodyguards with loaded smiths when I hop off a plane now
Came a long way from selling 'Ye now
Wilhelmina models, they be hangin' backstage now, uh

Shawty got a booty, let it hang out (Beartrap sound)
Ain't no turnin' down, let it bang out (hey now)
She can go and hoop, she wanna hang out (hey now)
We up in this bitch, oh
Got the club feeling like a safe house
All this damn money, let it rain down (rain down)
We ain't going home, we wanna hang out (hang out)
We up in this bitch

We up in this bitch, naw
100K up on a wristwatch
I guess they fuckin' with the kid now
I used to play to 50 kids, I'm doin' 50k a show now
No slightly digital, I'm takin' major risks now
And there's purple in my piss now
My mama real proud
And if you wanna come and find me
I'll be up on easy fifths now

Shawty got a booty, let it hang out (hang out)
Ain't no turnin' down, let it bang out (bang out)
She can go and hoop, she wanna hang out
We up in this bitch, oh
Got the club feeling like a safe house
All this damn money, let it rain down (rain down)
We ain't going home, we wanna hang out
We up in this bitch

We up in this bitch now
We up in this bitch now
Up in this bitch now
Oh, hey
Oh, hey
We up in this bitch now
