

Ain't Much Left Of Me

Blackberry Smoke

Well my fall from grace was a sight to see
Good turned to bad and bad turned to misery
I found out what it is and what it's not
And all I asked for sure ain't what I got, no

Well I been rained on, rode hard and put up wet
Danced with the devil till I'm in debt
Took all I've got and there ain't much left of me
I been knocked down, drug out and left for dead
Been held together by a few old threads
And I'm still here but there ain't much left to see
I'm still holding on and there ain't much left of me.

Thought I'd hit rock bottom but I ain't there yet
Cause you'd be surprised at how low a man can get.
I watched all them dreams slip through my hands
Now I'm getting outta here while I still can

Well I been rained on, rode hard and put up wet
Danced with the devil till I'm in debt
Took all I've got and there ain't much left of me
I been knocked down, drug out and left for dead
Been held together by a few old threads
And I'm still here but there ain't much left to see
Well I'm still holding on and there ain't much left of me.

Well my fall from grace was a sight to see
Nobody even cared what became of me.
Do I have to get down on my knees
And ask the lord above to have mercy please

Well I been rained on, rode hard and put up wet
Danced with the devil till I'm in debt
Took all I've got and there ain't much left of me
I been knocked down, drug out and left for dead
Barely held together by a few old threads
I'm still here but there ain't much left to see, no
Well I'm still holding on, well there ain't much left of me, no
Well there ain't much left of me
I said there ain't much left of me, no
Yeah there ain't much left of me, no
