

# Good One Comin' On

## Blackberry Smoke

2 6-packs of Shiner  
99 cent butane lighter  
Lucky Strikes and a fifth of Patrón  
Ice down that Igloo cooler  
Tank of gas that outta do her  
I can feel a good one coming on

Throw on Ray Wiley Hubbard  
Sing along to Redneck Mother;  
Any blues I had before are gone  
Another working week is over  
No chance of staying sober  
I can feel a good one coming on

Yeah we gonna roll all night  
We gonna get the feeling right  
We gonna keep this party rocking til the break of dawn  
Yeah I can feel a good one coming on

3 blondes in a ragtop Mustang  
Followed us down to the lake  
And didn't have to think about that too long  
Skinnydipping in the bright moonlight  
Situation couldn't be more right  
I can feel a good one coming on

Yeah we gonna roll all night  
We gonna get the feeling right  
We gonna keep this party rocking til the break of dawn  
Yeah I can feel a good one  
Feels like a good one  
I can feel a good one coming on

Woo

Yeah we gonna roll all night  
We gonna get the feeling right  
We gonna keep this party rocking til the break of dawn  
We gonna roll all night  
We gonna get the feeling right  
We gonna keep this party rocking til the break of dawn yeah  
I can feel a good one  
Yeah feels like a good one  
I can feel a good one coming on
