

## Lullaby

Blackfield

Share my cup  
Tie me up  
Never part  
Break my heart  
Go to sleep  
Wound me deep  
Be at peace  
Make me bleed

Do no harm  
Twist my arm  
Lie with grace  
Smash my face  
Kiss the ground  
Drag me down  
Stop the noise  
Smash my toys

How does it feel without your drugs? (Sing you a lullaby)  
How does it feel with my love? (Sing you a lullaby)
