

In for the Kill

Blackfoot

I've been standing on the edge
A little too long
Waiting for the door to be opened
Hanging on the brink biding my time
Wonderin' if the spell would be broken
Seen a million words of wisdom lost
In the wind heard the voices
Of the desperate and the dreamers
And I knew that any moment
They'd be callin' my name
To see if I was ready for the game

So I'm movin' movin' in the for kill
Got a date with a man
Who says he'll watch me fall
Gotta take this chance
I'm movin' in for the kill
This time I'm gonna have it all

The title's in my pocket
The ideas in my head
I'm lookin' for a little inspiration
It isn't just the money
That gets me outta bed
I've got to have a little motivation
I ain't got no brand illusions
I'm better than the rest
There's a fire in my heart
That makes me wanna be the best
My finger's on the trigger
Know what I wanna be
And everything is ready
As far as I can see

Movin' in for the kill
Movin' in for the kill
Ah, I'm movin' in for the kill
Movin' in for the kill
Movin' in for the kill
This time I'm gonna have it all
I'm movin' in
