

Liar

Blackfoot

I won't ever leave ya, you want me to stay,
Nothin' you can do that can turn me away,
Hanging on anyway believing the things you say, being a fool.
You've taken my life, so take my soul, that's what you said, I
believed it all,
I won't be leaving you, as long as you want me to, don't walk a
way.
Ain't that what you said, ain't that what you said, ain't that
what you said?

Liar, liar, liar,

We have seen no night, we have seen no day,
If I ever leave ya, you want me to stay,
You can believe in me, I won't be leaving,
I won't let you go.
Ain't that what you said, ain't that what you said, ain't that
what you said?

Liar, liar, liar.

You've taken my life, so take my soul,
That's what you said, but who are we to know
You can believe in me, I won't be leaving, I won't let you go.
Ain't that what you said, ain't that what you said, ain't that
what you said?

Liar, liar, liar.
