

Rock 'N' Roll Tonight

Blackfoot

I'm gonna put on my Rock 'n' Roll shoes, get high, forget about my blues

Gonna need me a partner deal, but you're the one so bring it over here yeh!

Get ready to rock 'n' roll got my tickets off the radio tonight yeh!

The sound is heavy the music's red hot, do what you wanta baby don't stop,

Go on and shake it just as hard as you can, till it gets too hard

for a young man to stand yeh!

Get ready to rock 'n' roll, got my tickets off the radio tonight yeh, ooh, yeh, ooh, ooh, yeh!

Get ready to rock 'n' roll, got my tickets off the radio tonight yeh, ooh, yeh, ooh, ooh, yeh!

Chorus

Don't stop, don't stop rockin' and if you drop we'll keep on rockin'

I hear the beating of your heart saying we're all here to Rock 'n' roll tonight.
