

# Stranger on the Road

Blackfoot

Yeah-ah I like that yell

Well I'm just a stranger on the open road  
Always seem to find a way  
It doesn't matter what you may come  
Lord I'm never gonna say  
A livin' hard and a runnin' wild  
Always make my claim to fame  
Don't turn around cause I'll be gone

Lookin' back  
Someone's callin' my name  
Can't you see that there is no one to blame  
Lookin' back  
You're caught in the flame

Well when I was young  
My daddy hit your feet  
Don't you ever stay in one place  
Said your chances of knowin'  
And becoming a man  
Got a big smile on your face

With your head in the air  
And your feet on the ground  
We got a chance of stayin' alive

Well because rock was just lookin' me down  
Said Bye, bye, bye, bye, goodbye, goodbye, goodbye

Ohhhh oh

Lookin' back  
Someone's callin' my name  
Can't you see that there is no one to blame  
Lookin' back  
You're caught in the flame  
Well I guess your children will never know  
That everything you say is doomed  
I'm a stange kind a fella, Lordy don't you know  
I never step on anyone's shoes

With your head in the air  
And your feet on the ground  
We got a chance of stayin' alive  
Well take a tip from me why don'cha try to be free

Lawd I'm just a stranger on the open road  
Wooo
