

## Tupelo Honey

Blackfoot

You can take all the tea in China  
Put it in a big brown bag for me  
Sail right 'round, all the seven oceans  
Drop it straight into the deep blue see  
She's as sweet as Tupelo honey  
She's an angel of the first degree  
She's as sweet as Tupelo honey  
Just like honey baby from a bee

You can't stop us on the road of freedom  
You can't keep us cause our eyes can see  
Men with insight, men in granite  
Knights in armor bent on chivalry

You can't stop us on the road of freedom  
You can't keep us cause our eyes can see  
Men with insight, men in granite  
Knights in armor bent on chivalry
