

## Do You Feel

**Blacklisted**

I hope the pain opens up your eyes  
Cause what you can't see you can't feel  
It's time to put aside our difference  
It's time to heal  
You've gotta open up your eyes  
And see things clear  
(Do you feel?)  
Do you feel it?  
Do you understand now?  
Do you feel it coming down?  
Your tears begin falling  
Falling just like rain  
Can you feel it now?  
The pain is here  
(It's time, time to heal)
