

Can't Help Falling in Love

Blackmore's Night

Wise men say
Only fools rush in
But I can't help falling in love with you

Shall I stay?
Would it be a sin?
'Cause I can't help falling in love with you

Like a river flows
Surely to the sea
Darling so it goes
Some things are meant to be

Take my hand
Take my whole life too
'Cause I can't help falling in love with you

Shall I stay? Would it be a sin?
'Cause I can't help falling in love with you

Like a river flows
Surely to the sea
Darling so it goes
Some things are meant to be

Take my hand
Take my whole life too
Though I can't help falling in love with you
No I can't help falling in love with you
No I can't help falling in love with you
