

I Think It's Going to Rain Today

Blackmore's Night

Broken windows and empty hallways
A pale dead moon in the sky streaked with grey
Human kindness is overflowing
And I think it's going to rain
Yes I think it's going to rain
Oh I think it's going to rain... rain today

Scarecrows dressed in the latest styles
With frozen smiles to chase love away
Human kindness is overflowing
And I think it's going to rain... rain today

Lonely lonely
Tin can at my feet
Think I'll kick it down the street
That's the way to treat a friend

Bright before me
The signs implore me
To help the needy
And I show them the way
Human kindness is overflowing
And I think it's going to rain... rain today

Broken windows and empty hallways
A pale dead moon in the sky streaked with grey
Human kindness is overflowing
And I think it's going to rain
Yes I think it's going to rain
Oh I think it's going to rain... rain today
