

## Mid Winter's Night

Blackmore's Night

[1st part in Provencial French]

The bells are ringing  
On Mid Winters Night  
The moon sets all alone  
And once again I try to sleep before the morning light

Too soon the sun will come a-  
calling over the hills in our little town  
Too soon the snow will start falling over the world without a s  
ound  
While in my room dreams are a-fleeting  
I close my eyes one more time  
All too quickly the dawn is breaking and I must leave the night  
behind.

The bells are ringing  
On Mid Winters Night  
The moon sets all alone  
And once again I try to sleep before the morning light

The bells are ringing  
On Mid Winters Night  
The moon sets all alone  
And once again I try to sleep before the morning light  
And once again I try to sleep before the morning light  
before the morning light  
before the morning light
