

# Wish You Were Here

Blackmore's Night

Wish you were here  
Me oh my countryman  
Wish you were here

I wish you were here  
Don't you know the snow is getting colder  
And I miss you like hell  
And I'm feeling blue

I've got feelings for you  
Do you still feel the same?  
From the first time I laid my eyes on you  
I felt joy of living  
I saw heaven in your eyes  
In your eyes

Wish you were here  
Me oh my countryman  
Wish you were here  
I wish you were here  
Don't you know the snow is getting colder  
And I miss you like hell  
And I'm feeling blue

I miss your laugh, I miss your smile  
I miss everything about you  
Every second is like a minute  
Every minute is like a day  
When you're far away

[solo]

The snow is getting colder, Baby  
And I wish you were here  
A battlefield of love and fear  
And I wish you were here

I've got feelings for you  
From the first time I laid my eyes on you

Wish you were here  
Me oh my countryman  
Wish you were here  
I wish you were here  
Don't you know the snow is getting colder  
And I miss you like hell  
And I'm feeling blue
