

How We Do

Blackstreet

You know, I don't even know why you actin' funny
Why you let 'em get in your head like that
Or they just gon' hate on me

They call you crazy 'coz I'm never home
They say you're too young, girl, to spend your life alone
But they just don't know, they can only assume
'Bout what I do, it's about me and you

You and I, we can make it
If your girlfriends stop hatin'
I don't wanna have to let you go

I'm down with you
Even if they don't think so
They don't know how we do

Look at me funny 'coz of what they say
Girl, all of the lies and things they're tellin' you, you
You should never let them get in your head
'Coz they just don't know, they can only assume
'Bout what I do, it's about me and you

You and I, we can make it
If your girlfriends stop hatin'
I don't wanna have to let you go

I'm down with you
Even if they don't think so
They don't know how we do

Yo, we gon' take it to the bridge, Blackstreet
Mark, help me sing

What bout the years? They don't care
The house and kids? They don't care
The struggle and tears? They don't care
'Bout what we been through

They don't wanna know 'bout the good I do
How I hold it down for the kids and you
All they wanna do is tear us apart
Tear us apart

Na na na na na, tell 'em, baby, tell them
Na na na na na, tell 'em how you feel
Na na na na na, na na

Na na na na na, hold it down, girl
Na na na na na, let 'em know, let 'em know
Na na na na na, na na
Talkin' 'bout you and I, baby

You and I, we can make it
Girl, we're gonna make it
I don't wanna ever let you go
This is how we do

You and I, we can make it
Girl, we gonna make it
I don't wanna ever let you go
This is how we do

I'm down with you
Even if they don't think so
They don't know how we do
