

I Can't Get You

Blackstreet

It's alright baby

1 - I can't, get you out of my mind
Your love is, one of a kind
You've given so much of yourself
I swear, don't want nobody else

Baby don't you know that I'll do anything for you
I'll give you my time, give you my heart
Give you the world if you want me to
Life hasn't been easy
Knowing that you love somebody else
Ain't nothing I can do about it
All I have to blame is myself, and I can't

Repeat 1

I thought I had you fooled
With the girls and the things that I was putting down
But little did I know
Miss thang was spreading business all over town
I don't know what she told you
But I bounced upon the love one time
I took her to my house, laid her on the couch
Set it affray, then threw her ass out

So what about the girl in the 6-4
She didn't mean a damn thing to me baby
She needed a ride from the jam
And being the man that I am, I said
