

Never Gonna Let You Go

Blackstreet

Never gonna let you go away, you belong to me
And I'm never gonna let you go
Never gonna let you go away
We were meant to be in love, love

Take your time, mark just sing it for 'em, I regret the moment
When I heard you say, you don't want no part of me no more
But I'm sorry, that you changed your mind, you're staying in my
life
Forever more, forever more, 'cause I'll never

Never gonna let you go away, you belong to me
And I'm never gonna let you go
Never gonna let you go away
We were meant to be in love, love

Now I must admit, that I did you wrong, hiding all your tears
When you cried for me to come back home and then you tell me
Part-time loving just won't do, I can't say a word
Oh, I must have been a fool but this time, this time, I'll never

Never gonna let you go away, you belong to me
And I'm never gonna let you go
Never gonna let you go away
We were meant to be in love, love

Now girl, I know, we've had our share of ups and downs
But we can make it, if we try
And your friends are telling you that I'm not the one for you
But I'll never, no, no never, let you go

Never gonna let you go away, you belong to me
And I'm never gonna let you go
Never gonna let you go away
We were meant to be in love, love

Never gonna let you go away, you belong to me
And I'm never gonna let you go
Never gonna let you go away
We were meant to be in love, love
