

# Never Gonna Let You Go

Blackstreet

Never gonna let you go away, you belong to me  
And I'm never gonna let you go  
Never gonna let you go away  
We were meant to be in love, love

Take your time, mark just sing it for 'em, I regret the moment  
When I heard you say, you don't want no part of me no more  
But I'm sorry, that you changed your mind, you're staying in my  
life  
Forever more, forever more, 'cause I'll never

Never gonna let you go away, you belong to me  
And I'm never gonna let you go  
Never gonna let you go away  
We were meant to be in love, love

Now I must admit, that I did you wrong, hiding all your tears  
When you cried for me to come back home and then you tell me  
Part-time loving just won't do, I can't say a word  
Oh, I must have been a fool but this time, this time, I'll never

Never gonna let you go away, you belong to me  
And I'm never gonna let you go  
Never gonna let you go away  
We were meant to be in love, love

Now girl, I know, we've had our share of ups and downs  
But we can make it, if we try  
And your friends are telling you that I'm not the one for you  
But I'll never, no, no never, let you go

Never gonna let you go away, you belong to me  
And I'm never gonna let you go  
Never gonna let you go away  
We were meant to be in love, love

Never gonna let you go away, you belong to me  
And I'm never gonna let you go  
Never gonna let you go away  
We were meant to be in love, love
