

# Rockin' You Tonight

Blaine Larsen

We grew up in the same town  
Three houses down on Magnolia Street  
Young love was going strong  
Even though your Dad and Mom were sound asleep  
A blanket and some moonlight  
We'd slip down by the lake  
Seventeen and restless  
You know we just couldn't wait  
And I wish I were rockin you tonight

I remember the day we both cried  
You got that full ride to university  
You had to do what you had to do  
And we both knew it was the end of me  
We wrote "we miss you letters"  
Made long distance calls  
But I lost you forever halfway through the fall  
And I wonder, baby, who's rockin you tonight

And I live for those moments  
Wrapped up in your arms  
Swaying to the music of those wildly beating  
Wildly beating hearts

Gotta a lot of time to think of you  
On my way to the next marquee sign  
With any luck one of these days  
You'll see my name, no, I'm doing fine  
Every now and then out here on the stage  
I look through the flood lights  
And I swear I see your face  
Feels so good to be rockin you tonight  
Yeah, I'm rockin you tonight  
I'm rockin you tonight  
Baby, I'm rockin you tonight
