

# Break Anotha

Blake Lewis

Baby girl like cinnamon  
Hot for the skin he's in  
Oops makes you wanna sin again

Defenses start to break  
It's more than you can take  
Wanna getcha getcha then your heart will break

He's got no shame  
He's got your name  
And your number  
Baby now you start to wonder  
What's in store  
What the hell  
That spell that he's g g got you under

Playin a role he don't care what he stole  
He's a gentleman lover  
Get you under cover  
He'll try to prove that his love is for you  
Just when you think he's changed his tune

He'll break anotha, he'll break anotha, he'll break anotha heart babe  
He'll break anotha, he'll break anotha, he'll break your heart babe

Stop before you jump, he'll switch it like a pump  
Wanna bump bump then your lookin dumped  
Dear god not me!  
Make you wanna thump  
Leave for a night make you feelin like a like a chump

So desperate, be your bestfriend  
Sign you up just to cross you off his checklist  
One more victim don't test it  
Want something more you can't invest it

Playin a role he don't care what he stole  
He's a gentleman lover  
Get you under cover  
He'll try to prove that his love is for you  
Just when you think he's changed his tune

He'll break anotha, he'll break anotha, he'll break anotha heart babe  
He'll break anotha, he'll break anotha, he'll break your heart babe

Sorry baby, there's something coming over me  
It's like two sides of me  
I try to be good but I don't wanna be  
You could be a friend of me

He'll break anotha, he'll break anotha, he'll break anotha heart babe  
He'll break anotha, he'll break anotha, he'll break your heart babe  
(2x)
